BIG JOHN Truck Requirements

Please take a few moments to familiarize yourself with the truck you are going to use with your BIG JOHN tree transplanter. The information that we are requesting on this form will allow us to build an appropriate tank rack and reservoir and also to obtain the proper PTO, pump and other hydraulic system components.

BIG JOHN Mfg., Inc. PO Box 960 Heber Springs, AR 72543 1-800-643-8039
